Dear Nobles:

Greetings from Aleppo Temple!

Your Illustrious Potentate, Herbert N. Faulkner, has received so many excellent reports from the Nobles and their wives who participated in the Shrine Tours to Paris and San Juan that he has decided to offer the membership another outstanding, all inclusive, first class tour to Copenhagen, Denmark, including a side trip to Sweden.

As so many of our Nobles and wives were disappointed at being unable to attend the other Shrine tours because reservations were sold out, this season we are endeavoring to accommodate everybody desirous of going. Therefore, you will have a choice of going either the first week in September or the second week in September. Needless to say, both Tours are exactly the same, the only difference being in the dates they are operated. You will note by the detailed itinerary, the complete Tour is all first class, consisting of jet air transportation and first class hotel with private bath. All the features of the Tour are detailed for your information.

Again we must accept reservations on a first come, first served basis. Our Tours to Paris last fall and to Puerto Rico last March received overwhelming response and many people waited too long to make their reservations. Therefore, we urge you to make your reservations early by mailing your deposits NOW — and not be left out this time. We certainly hope you will have the opportunity of joining with the Nobility on this Shrine Tour to Copenhagen, the "Paris of the North."

We have endeavored to make this Tour and the price as attractive as possible. Traveling by yourself on the same Tour would cost you substantially more!

We suggest you forward your deposit with the attached coupon at once.

If there is any further information or any service we can render, please do not hesitate to call us.

Sincerely yours,

Harvey B. Leggee
